

MMD Philips Monitors Solutions Hub & Training Centre Information & Booking

Launched in July 2023, our impressive facility features Philips complete range of monitor solutions specifically configured with the requirements or challenges that your B2B and Corporate customers face in today's hybrid-working era. It has been designed to showcase the very best of our monitor and signage technology and the Hub itself stands ready to serve as a dynamic platform for our partners, giving you the opportunity to present engaging demonstrations to your end users.

To book, please speak to your MMD Philips Account Manager who will be happy to discuss your requirements for the day. The Solutions Hub is suited to a range of purposes, including but not limited to:

- Sales Team training meetings and presentations
- Breakout one to one interactions in the central meeting room
- Boardroom style meeting room for up to 8 delegates
- Facilitating end-user demonstrations, training and discussions
- Full solutions overview including the option to incorporate Philips Large Format Displays

Location and Partnership:

Our Solutions Hub is located within the stunning showroom of Technology Desking, global leaders specialising in the design, manufacture and installation of furniture products focused on managing technology in the workplace. Their market sectors include trading floors, control rooms, general offices and other related environments and as such are the perfect partners for Philips Monitors in innovation and design!

If you are interested please contact your Account Manager:
