

VESA-Bracket

Maximise desk space

Maximize desk space and secure PC clients to your Philips monitor SmartErgoBase with the client mounting stand.

This simple versatile solution allows you to create an All-in-One like setup for max productivity.

Easy to setup & use

The client mounting bracket fits right on to Philips award-winning commercial monitor SmartErgoBase for easy PC and Thin Client mounting.

Simple All-in-One solution

This simple client mounting bracket allows for a low-cost simple solution to create a clutter-free all-in-one desktop computing form factor that makes efficient use of space-constrained environments.

Ergonomic adjustability

The clever design of the client mounting bracket allows full ergonomic adjustments (height, swivel, tilt) on the Philips SmartErgoBase.

VESA mounting pattern

Industry-standard VESA mounting holes guarantee mounting compatibility with most small form factor PCs and Thin Clients.

Vesa bracket to fit your needs.
